Safety, It's your Choice

Believe it or not, but it is 'your choice' if you are going to get injured. It is your choice whether you take that shortcut or do the job right. It is your choice whether you follow the safety rules or not. The end result is 'not' your choice. If you choose to take that shortcut, you are giving up 'your choice' to remain injury free.

Make the 'right' choice! Don't take shortcuts! Follow the safety procedures for your task, at home, at work, and at play.
